

FRANK'S custom Shoe-fitting

“I Would Never Go Anywhere Else!”

Lianna Hollander

My name is Lianna Hollander. I'm a track and cross country runner currently running for The College at Brockport. This is my seventh year running and I've never been more motivated. Frank's Custom Shoe Fitting has helped me so much over the years. Not only have Frank's great shoes and Superfeet helped with pain and injuries, but Frank always has great running advice and offers a great atmosphere and good conversation when you walk in the store. I would never go anywhere else. Thank you so much!
